

Victor Extremera

Web Developer

About Me

I am a proactive and assertive person with a strong passion for full-stack web development. I enjoy taking initiative, solving problems efficiently, and constantly looking for ways to improve both my technical and personal skills.

English : B2 | Spanish : Native

Skills

- Problem Solving
- Proactive Mindset
- Assertive Communication
- Continuous Learning
- Critical Thinking
- Teamwork

Education

- **Higher Technician in Web Application Development**
Institut Sa Palomera 2024 - 2026
Training focused on the design, development, and maintenance of web applications. Subjects include frontend and backend development, databases, responsive design, and API integration.

Experience

- **IT Technician**
Inkpressio Ecologica Jun 2022 - Oct 2022
Responsible for computer repairs, printer maintenance, technical support, and customer service, including sales assistance and in-store client support.
- **Restaurant Floor Manager**
Bar Restaurante Arcadia Jan 2023 - Dec 2025
Supervised restaurant floor operations, managed staff, handled customers and reservations, and ensured smooth, high-quality service.
- **IT / Web Development**
Erasmus+ Internship Feb 2026 - May 2026
Worked on wordpress web development tasks during an Erasmus+ internship abroad, gaining hands-on experience in a professional environment. Collaborated on technical projects and improved skills in development, problem-solving, and teamwork.
